

Vanguard Properties Announces the Opening of Their First Office in Downtown Healdsburg, CA

Vanguard Properties will open a new location at 424 Center Street in Healdsburg.

San Francisco, CA ([PRWEB](#)) December 12, 2013 -- The continual growth of Vanguard Properties, the well respected San Francisco Real Estate firm has never been more evident. Today James Nunemacher announced plans for opening their first office based in downtown Healdsburg, California.

The former Owner of Frank Howard Allen, Cheryl Gordon has been named the Sales Manager. Her team of seasoned Realtors will be joining her at Vanguard's new location at 424 Center Street.

The Healdsburg office, in addition to the two new offices in Sebastopol, is Vanguard Properties' entry into the Sonoma County market. Now clients will have a choice to work with a leading Bay Area, locally owned and operated real estate firm, rather than under a corporate umbrella.

Vanguard Properties is confident that the cross pollination of their offices in San Francisco and Healdsburg will serve both San Francisco Buyers looking for property in Wine Country and provide Healdsburg Sellers the maximum exposure to the San Francisco market.

Vanguard is known for their fresh and exciting approach to marketing homes for sale. Many Real Estate agents in Healdsburg, and the surrounding areas, are very interested in what is called the unique "Vanguard Experience". Principle James Nunemacher states, "Our company takes a different approach to marketing Real Estate and in supporting our agents. We work in collaboration to assist our agents and clients to achieve maximum success. We are honored to be working with Cheryl and her team."
